

TRANSPORTATION IMPROVEMENT PROGRAM PROJECT BL-0063

Horton Road Sidewalk

Project Description

The Horton Road Pedestrian project seeks to construct a 1.59-mile multi-use path along the south side of Horton Road in Durham from Guess Road to Roxboro Road. Construct a 0.41-mile sidewalk on the north side of Horton Road from Guess Road to connect to an existing sidewalk near Horton Road. This will provide a safe pedestrian option along a busy road in northern Durham and connect residential areas to shopping centers and other destinations. It focuses on connecting lower-income residential areas to shopping areas and reduces the need to access these areas with an automobile.
